

**CANDIDATE FOR GOVERNING BOARD MEMBER
FONTANA UNIFIED SCHOOL DISTRICT**

NAME: GUS HAWTHORN

AGE: 59

OCCUPATION: Board Member - Director of Engineering

I was elected to the Fontana School Board on my promise to work "For Our Kids' Future". I kept that promise by putting my technical and business experience to work for a quality education for every student in our district. Though successful, the job is unfinished. I want to continue working to insure that Fontana students receive the quality education they deserve. To do so I will continue to work for:

- Safe schools
- Quality academic, elective and Career Tech courses
- Exemplary arts and sports programs
- Responsible spending of \$735 million in district budget and bond construction funds

The need for strong business based leadership on the board is essential. The board needs a person with a connection to the world that will employ our students and the business skills to insure that nearly \$750 million dollars in taxpayer money is properly spent. I am the only board member with the required background.

I would like to continue to serve the children and families in our district. I need your help to do so. Please vote for the only board member with a real-world business and technology based education perspective.

Re-elect Gus Hawthorn on November 7
